Come celebrate love in this workshop! Learn to construct the heart blocks using strip piecing and reverse appliqué, then we'll cover adding the raw-edge appliqué bunny. With three color options featuring **2, 3, or 5 fabrics in the heart blocks** and six quilt sizes, there are a lot of ways to make this design your own. To keep the supply list simple, **the fabric requirements and cutting instructions below are for the table runner size using two fabrics, without the bunny.** Interested in a different size, color option, or adding the bunny? Refer to the pattern for the appropriate yardage and cutting instructions. **Everything in pink is clickable!**

Required Supplies:

- Pattern: Love Without End quilt pattern
[printed version](#), [PDF download](#)

Optional Supplies:

- [Fineline Glue Tips](#) (for Elmer's)
- [Stripology XL Ruler](#) for cutting strips before class
- Colored pencils

Optional: Bunny Appliqué

Want to add the bunny to your project? Bring the following supplies:

- 10" x 20" of [fusible web](#)
- Decorative [thread](#) for raw-edge appliqué
- [Cutterpillar Glow](#) or other light box

*Availability of sewing machines, cutting stations, and ironing stations varies by venue. Please check event details to see what's supplied.

Before class:

1. Wash, starch, and press the background fabrics. Because the design involves curves and bias edges, starching helps reduce distortion during cutting and sewing.
2. For the two-fabric table runner, cut the following from **each fabric**:
 - (6) 1" x 10 ½" strips
 - (1) 6 ½" x 20" strip
 - (4) 1" x width of fabric (WOF) strips
 - (3) 2 ¾" x 4 ¼" rectangles

Need a different size or color option? Refer to the pattern for the correct cutting instructions.
