In this workshop, we'll explore two different methods for piecing curves. Tighter curves can feel challenging but I'll show you a technique that makes them both easy and precise. We'll also go over tips and tricks to ensure your larger curves come together smoothly and accurately. **Everything in pink is clickable!**

Supplies:

• Pamela Mae Quilt Pattern, available in two formats: [Printed Pattern](#) (mailed to you) and [PDF Download](#) (instant access)

- [Coloring Pages](#), free
- Coordinating [Thread](#)
- Fabric, see pattern for yardage
- [Marking Pen](#), temporary
- [Glue pen](#), washable
- Elmer's School Glue, washable
- [Fineline Glue Tips](#) (for Elmer's Glue)

Before Class:

1. Order the [Pamela Mae Pattern](#) and [supplies](#) at SnapdragonQuilting.com or purchase in class.

2. [Starch](#) fabric - Curves require working with bias. Starching fabric **before cutting** helps reduce distortion.

3. Follow the cutting instructions in the pattern to cut out the **squares and rectangles**. Do not cut out any of the curved pieces as we will do this in class.

- [Heavy Duty Freezer Paper](#)
- [Easy Press Pen](#) or [Spray Starch](#)
- [Fabric Scissors](#)
- [Snips](#), optional
- [Rotary Cutter](#)
- [Rotating Mat](#) for rotary cutting*
- [Iron](#) and [Ironing Mat](#)*
- Sewing machine with an open toe foot and a 1/4" foot*

*Sewing machines, basic cutting supplies, and ironing stations may or may not be supplied by the venue.

4. Follow the directions in the pattern to complete the sections titled:

- Make Square Blocks
- Make Square Block Halves
- Assemble Top, Center, and Bottom of Quilt Top

5. Prepare Templates: Print or copy templates A and B onto [freezer paper](#) and cut them out. If using the PDF pattern, print templates C-F, cut out and assemble. If using the printed pattern, cut out templates C-F.
