Create the playful Fenced In quilt or table runner while learning Jen's favorite raw-edge appliqué technique! This engaging workshop will guide you through creating sweet, dimensional appliqué designs while building confidence in working with raw edges, appliqué placement, and stitching techniques. You'll leave with new skills, expert guidance, and significant progress on your quilt. **Everything in pink is clickable.**

Materials:

Irons, ironing boards, a large cutting mat, and design walls are provided in our shop with machine rentals available. Sewing machines and ironing stations may or may not be supplied by other venues.

- Fenced In quilt pattern ([printed](#) or [digital](#))
- [Printable coloring pages](#) (free download)
- Fabric, see pattern for yardage requirements (our Mini Moons [quilt kits](#) work great for the table runner size)
- 1 pack [Heat n Bond Lite Iron-On Adhesive](#), [Wonder Fuse](#), or other lightweight fusible web
- Coordinating [thread](#) for piecing
- One or more colors of [thread](#) for blanket stitching
- Batting, backing, and binding are not required for class but will be needed to complete your quilt or table runner. Refer to the pattern for requirements.

Supplies:

- Pencil
- [Fabric scissors](#)
- Paper scissors
- [Rotary cutter](#) and [small cutting mat](#)
- [Small ruler](#) for rotary cutting
- [Seam ripper](#) (Just in case!)
- Colored Pencils, optional
- [Circle Savvy Ruler](#), optional
- [Lightbox](#), optional but helpful
- Sewing machine with an open toe foot and blanket stitch capabilities

Before class:

1. If making the quilt, cut (6) 12 ½" x 12 ½" squares from white fabric, flower block background. If making the runner, cut (2) 9 ½" x 9 ½" squares from white fabric, flower block background.
2. Verify that your machine has a blanket stitch and open toe foot.
3. Gather materials and supplies before class. Most supplies can be purchased at Snapdragon Quilting or online at [SnapdragonQuilting.com](https://www.snapdragonquilting.com).
